PRINCETON UNIVERSITY

DEPARTMENT OF PUBLIC SAFETY

TIMELY WARNING:

This notice is to advise you of an incident that concerns the University community.

Date: 11/16/2016

Incident: Criminal Sexual Contact

On Wednesday, November 16, 2016, at 10:52pm, it was reported to the Department of Public Safety (DPS) by a female student that while she was walking south on University Place an unknown male rubbed his hand over her buttocks. The subject fled north on University Place, entered a black SUV and drove away from the area. The victim described the subject as a "tall, thin young black male wearing a grey sweatshirt". The victim had no physical injuries.

DPS and the Princeton Police Department searched the area and were unable to locate the suspect.

If you have information relevant to this incident, please contact the Department of Public Safety at 609-258-1000.

We remind all community members of the tips listed below and our general crime prevention tips listed on our website http://publicsafety.princeton.edu/safety-security/tips.

- Report suspicious behavior or activity immediately by calling the Department of Public Safety at 609-258-3333 or by using any blue light emergency phone located throughout campus.
- Never prop your door, never tape your lock and lock your windows.
- Stay alert and tuned in to your surroundings. Be aware and prepared.
- Avoid walking alone or appearing distracted by wearing headphones or talking on your cell phone.
- Trust your instincts, and if you do not feel comfortable in a place or situation, leave.
- If you must remain in a building after hours, use the buddy system when leaving.
- Be careful when using your cellular phone, in public, while walking alone.
- Call (609) 258-1000 for an escort. Any suspicious vehicles in the community should be reported immediately.

Federal Clery Act requires when a Clery reportable crime is committed and a university determines that there is an ongoing threat to the health or safety of students or employees occurring on campus, the university must follow its Timely Warning
